Our services

All our services are remunerated by English schools and universities. Thus, English Study Solutions LTD (ESS) never receive any payments from students. When a student is registered at a school the tuition fee is paid by the student directly to the school and it is terms and conditions of the English school that takes effect.

Hence, ESS role is solely advising students in the choice of school and finding accommodation when requested by the student. Furthermore, when a student requires a visa in conjunction with application to studies at a school, ESS may provide advice on the visa application process. After registration and payment to a school which involves agreement to terms and conditions of the registration at an English studies program, ESS services have ended.
